

Heat

Heavy Duty

Comfortable heat and splash protection.

- Protective cuff in semi-rigid leather for forearm protection
- Inside palm and fingers doubled with a 100% cotton liner for improved comfort and thermal insulation
- Allows for intermittent contact with hot parts and materials up to 100°C – excellent burning behaviour resistance and protection against small splashes of molten metal

Industries

- Automotive
- Construction
- Machinery and Equipment
- Transportation
- Metal fabrication

Applications

- Rough casting and cores
- Loading and unloading of process equipment
- Brazing
- Grinding
- Welding

Key Features

- Protective cuff in semi-rigid leather for forearm protection
- Inside palm and fingers doubled with a 100% cotton liner for improved comfort and thermal insulation
- Allows for intermittent contact with hot parts and materials up to 100°C – excellent burning behavior resistance and protection against small splashes of molten metal

Performance Standards & Regulatory Compliance

REACH Compliant
